

# SAN DIEGO COUNTY Black Infant Health Program

African-American infants are about 30% more likely to be born premature compared to all of San Diego County's infants overall.

**TOGETHER, WE CAN  
MAKE A DIFFERENCE  
TO HELP ENSURE  
THAT ALL BABIES  
ARE BORN HEALTHY!**

#### OUR SERVICES:

- 10-week prenatal sessions for pregnant women
- 10-week postpartum sessions for new moms
- Healthy meals, transportation assistance, and other supportive resources during sessions
- Individual client plans that address the most important concerns in a woman's life
- Referrals for health and social services

#### ELIGIBILITY:

- African-American women
- 26 or fewer weeks pregnant
- 18 years of age or older

**ALL SERVICES ARE AT NO COST**
